Hello,

Thank you for coming in today. I look forward to seeing you next Friday, **September 6, at 12:45 p.m.** You should receive a Google Calendar invite within the next couple of hours. If you don't, let me know. I've listed the homework below:

- Access your credit report. You'll be able to access it [here](#).
- Find out the breakdown of your student loans. Details could include your APR and any other information your student loan provider might have, such as suggested payments. Anything the provider might have could be helpful!
- Find out the interest rate of your savings account. After we work through debt management, we can discuss high-yield savings.
- Make sure to bring in your budget as well next week.

I look forward to working with you. If you have any questions, feel free to email me. Have a great day!

Best,

Tevin Parathattal
